

The Lib Dem team's Record of ACTION

1 Secured funds for Slatyford play area

The council was just going to leave the vandalised climbing frame until your Lib Dem Focus Team demanded action. We have been promised a new climbing frame will arrive soon!

Your Focus team talking about litter at our parks and the need for better facilities

Both our play areas need more care and attention - there's too much litter and they BOTH need improvements.

We will keep campaigning for improved equipment, more seating and litter bins, together with regular clean ups at both play areas.

2 Had bollards installed at the end of Kirkheaton

Bollards installed to stop drivers crossing the pavement at Kirkheaton Place

Residents often ask your Focus team about bollards being installed to stop traffic driving where it shouldn't.

We are dealing with other requests across the ward; but if you know of anywhere that needs them, please let us know.

3 Reported potholes and pavements for repair

We've been hard at work, reporting potholes and broken pavements. Mark and PJ met council officers on Grange Road a few weeks ago to discuss - but it's still a mess, like many roads across the ward.

Half the time the repairs aren't done, or else aren't done properly and so don't last. We'll keep pushing the Council to get better at doing these essential repairs.

An example of a badly repaired pothole on Slatyford Lane

WHO will really deliver for West Fenham and Slatyford??

X Labour have let us down. They have failed our NHS, raised taxes, and broken promises.

X Reform UK can't be trusted. They are already breaking promises where they run councils.

✓ The Lib Dem team have a real record of fighting hard for WEST FENHAM & SLATYFORD.

That's why more and more people are backing the Lib Dems with their THREE votes as the best choice in May.

Printed by Election Workshop, 3 Sheffield Street, Manchester, M1 2ND. Published and promoted by Mark Mitchell on behalf of PJ Morrissey, Mark Mitchell & Owen Burbidge (Liberal Democrats) all at 2 Vicus Street, NE4 9BZ.

On Thursday 7th May back the

LOCAL CHAMPIONS

our area deserves

- Everyone knows someone PJ and Mark have helped with casework - on housing, on pavements, on broken bins
- PJ and Mark are always reporting fly-tipping and abandoned vehicles - but the Council needs to get a grip on these issues
- Owen has already been hard at work, listening to residents' concerns, reporting potholes and trying to sort litter issues

FIX OUR ROADS AND PAVEMENTS

Repeatedly, when we speak to you on the doorsteps, the first thing you mention to us is potholes or pavements. Some residents tell us that they don't feel comfortable leaving their house because it's not safe to walk on uneven and broken pavements, and it's even worse for wheel-chairs, walkers and push chairs.

Just one pothole on St Cuthbert's Road in need of urgent action

Lib Dems at the recent council budget meeting said that more must be done to fix potholes and repair pavements **right now**. Labour and the Greens showed their true colours. They voted AGAINST Lib Dem proposals to bring forward spending, which would have meant that Council could get to work **right now** on fixing **more** potholes and pavements across Newcastle.

Labour on the council talk about "money over ten years" for roads, pavements and council housing. The Council just received more money than expected from the

"Only the Lib Dems will stand up for residents here and get the resources to focus on your priorities"

Government. Your Lib Dem Focus Team demands that the Council gets to grips with these issues immediately.

Mark said, "When you're casting your three votes in May, just remember that Labour and the Greens voted against Lib Dem proposals for more spending on roads, more spending on play areas, more spending on council housing and more money to deal with fly-tipping. **Only the Lib Dems will stand up for residents here in West Fenham and Slatyford, and get the resources to focus on your priorities.**"

The Labour Government have **BROKEN PROMISES**

From leaving pensioners in the cold last winter, to harming local businesses with tax hikes - Keir Starmer is letting people down.

Labour have failed our country. They have raised taxes despite promising they wouldn't, so the cost of living is getting worse, not better.

Meanwhile, where Reform UK have been elected, it's just the same.

Many councils run by Reform

UK are planning massive council tax hikes and cutting services - despite promising not to.

In Durham and other places, Reform UK politicians quit immediately after getting elected. Others have fallen out with the party within weeks.

They have cost the taxpayer thousands of pounds whilst cutting services.

It's clear - Reform can't be trusted to fight for West Fenham & Slatyford.

Keir Starmer has had worst start of any new PM, says polling guru

THE TIMES

"Six local authorities run by Nigel Farage's party have revealed plans to increase council tax bills by a total of £127m."

THE TIMES

"Reform councils to raise tax for 2m households despite pledging cuts."

THE TIMES

The Lib Dem team - working for you

PJ, Mark and Owen are already local champions, standing up for what is most important for West Fenham & Slatyford.

They are also fully behind the Lib Dem priorities for Newcastle, which matter all across the city.

Cleaning up Newcastle with a focus on dealing with fly-tipping and litter, to clean up our parks and streets.

Proper resources for parks and play areas across Newcastle so that children have a place to play, wherever they live.

Getting to grips with the state of our roads and pavements so that people can get down their street.

Getting money out the door to build more council houses and repair the ones that we already have so that we can get more people a place to live.

Only a Lib Dem vote will give you a team who stands up for you, for our communities and for the whole city to deliver the real change Newcastle needs. Please give your THREE votes to your Lib Dem team.
